## Section 1: Identification of the mixture and of the company

### 1.1. Product identifier.

Trade name: EL Strawberry VPG-6

Batch No.: 20150827/ELSTR

Expiration date: 08.2017

### 1.2. Details of the supplier.

Supplier: CHEMNOVATIC ŁAWECKI GĘCA SPÓŁKA JAWNA

Address: The Building of Lublin Science and Technology Park  
ul. Dobrzańskiego 3/BS002, 20-262 Lublin, Poland

Telephone number / Fax: +48 814785015 / +48 814785015

E-mail address: info@chemnovatic.com

## Section 2: Certificate of quality

## Section 3: Additional information

**Storage conditions:** Dry, ventilated, dark area, away from heat sources in tightly closed original packaging at temperature 5-25°C. Keep away from children.

**Notes:**  
The product is not suitable for direct consumption.  
The product intended for inhalation in electronic cigarettes  
The document was prepared on the basis of the available results of analyses.

**First aid measures:**  
**Inhalation:** In case of accident by inhalation, move the exposed person to fresh air.  
**Skin contact:** In case of skin contact, wash the exposed area thoroughly with water.  
**Eye contact:** In case of eye contact, immediately flush eyes with plenty of water, keeping eyelids open. Seek medical attention if irritation persists.  
**Ingestion:** This does not apply when the product is used as intended.

All information included in the product specifications is based on current knowledge and agreeable with current law regulations. Each subsequent update invalidates the previous ones. Only the user is responsible for the product usage following current law regulations.

**We declare that the product meets the requirements set out in the above specification.**

The analysis figures mentioned in this certificate only serve as product description and they have been ascertained immediately after production or import of the goods. A legally binding guarantee of certain characteristics or of suitability for a particular application cannot be assumed from this certificate.

Improper transport and/or improper storage can cause change.

The certificate does not release the consumers from the responsibility to carry out their own examinations (on each and every batch) of the characteristics of the product and assume the suitability for intended use.
