

# TECHNICAL SPECIFICATION

## Section 1: Identification of the substance and of the company

### 1.1. Product identifier.

Commercial name: PHARMACEUTICAL VEGETABLE GLYCERINE  
INCI name: Glycerin  
Identifier (CAS no.): 56-81-5  
Other name: 1,2,3-glycerol, glycerol, trihydroxy alcohol, glycerol E422  
Date manufactured: 06.2016  
Expiry Date: 06.2018  
PCN code: 29054500  
Batch no.: VE6C160608

### 1.2. Details of the supplier.

Supplier: CHEMNOVATIC ŁAWECKI GĘCA SPÓŁKA JAWNA  
Address: The Building of Lublin Science and Technology Park  
Dobrzańskiego Street 3, lok. BS002, 20-262 Lublin, Poland  
Phone: +48 814754442  
e-mail: info@chemnovatic.com

## Section 2: Certificate of quality control

Determined parameter:	According to the specification:
Glycerol content	99,81 %
Water content	0,19 %
The acidity or alkalinity	Conform
Ester content	>8,0 ml
Standard	Ph. Eur.

# TECHNICAL SPECIFICATION

## Section 3: Additional information

**Storage:** Store in a chemical warehouse in tight packages (it has hygroscopic properties), protecting against precipitation, high temperature and direct effects of sunlight or other sources of heat. Do not store together with oxidizing agents. Do not inhale vapors / aerosols. Avoid contamination of skin and eyes.

**Notes:** Product meets requirements of Ph. Eur. (EP current edition).  
Document prepared on the basis of the manufacturer's quality certificate.  
Data contained in this specification result from current knowledge about the product and do not replace tests performed by the recipient at delivery.  
The product meets the requirements of binding legal regulations (in particular Regulation (EC) no. 852/2004 -on the hygiene of foodstuffs, 178/2002 -laying down the general principles and requirements of food law, 1829/2003 and 1830/2003 -relating to genetically modified foodstuffs, 1881/2006 concerning contaminants, 1441/2007 concerning microbiological criteria) with regard to health requirements (including substances used for its production, chemical and biological contamination - heavy metals, aflatoxins, plant pesticides, veterinary waste, microbiology and others) and may be intended for consumption by people

**We hereby certify that the product meets the requirements laid down in the above specification.**
